

PUBLISHED COURTESY OF THE GREENWOOD FOREST HOME OWNER'S ASSOCIATION

November HOA Board Meeting

The next HOA Board Meeting will be held November 10th at 7:00 PM in the Greenwood Forest Clubhouse. The Board will review proposals from management companies and may vote to hire a company at this meeting. The budget for 2022 will be finalized and adopted during this meeting. Once the budget is established, a vote to set the 2022 assessment will be taken.

GET INVOLVED IN THE NEIGHBORHOOD

Greenwood Forest has always been a close-knit community where our neighbors become life-long friends. There have been many newcomers to the neighborhood in the past 2 years. The pandemic stopped many of our neighborhood activities in 2020, but our clubs and committees are coming back strong with many plans for upcoming events.

If you are new to Greenwood Forest or recently retired and want to be active in the community, here are some ways to jump in and be involved:

- Attend the monthly HOA Board meeting on the 2nd Wednesday of the month at 7 p.m. at the Greenwood Forest Clubhouse. The board members enjoy meeting new homeowners and can provide community information.
- Women's Club – This club welcomes all women in the neighborhood. Annual membership is \$20. The Women's Club meets monthly (September-May) on the 2nd Thursday at 9:30 a.m. The Women's Club also has several special interest groups that meet at other times. These groups include antiques, bridge, book clubs, Mah jong, quilting, and the always fun Wineaux. For the ladies who work during the day and cannot attend the Women's Club meetings, you can join and participate in the special interest groups that meet at other times.
- Social Committee – This group meets at the Clubhouse on the 3rd Wednesday of each month at 7 p.m. The Social Committee meets to plan and organize community events. Join the committee and share your ideas and talents to plan fun activities for the neighborhood.
- Greenwood Forest Breakers Swim Team – The Swim Team wrapped up another successful season and will start gearing up for next season around March. This is a fantastic activity for the kids in the neighborhood. They can even teach your child to swim! Go to <https://gwfbreakers.swimtopia.com> for more information.

The newsletter is a reliable source of community information. You can also access the newsletter and additional information on the HOA website at www.greenwoodforest.net. All residents are encouraged to get involved in the neighborhood.

Carbon Monoxide (CO) The Silent Killer

CO is a toxic, colorless, odorless, tasteless gas.

Watch out for these CO warnings!

- Service your furnace by a qualified professional to check for leaks.
- Never leave a car running in a garage even with the garage door open.
- Never run a generator in the home or garage. Opening doors and windows or using fans will NOT prevent CO build-up in the house. When running a generator outdoors, keep it away from open windows and doors.
- Never burn charcoal in homes or garages.
- Never install or service combustion appliances without proper knowledge and skills.
- Never use a gas range, oven, or dryer for heating.
- Never put foil on the bottom of a gas oven because it interferes with combustion.
- Never operate an unvented gas-burning appliance in a closed room or in a space in which you are sleeping.

Symptoms of CO poisoning

The initial symptoms of CO poisoning are similar to the flu (but without the fever) they include:

- Headache
- Shortness of breath
- Nausea
- Fatigue
- Dizziness

If you suspect that you are experiencing CO poisoning, get fresh air immediately. Leave the house and call 9-1-1 from a neighbor's home or cell phone. You could lose consciousness and die from CO poisoning if you stay in the home.

Get a CO Detector

Like working smoke detectors, every home with any gas appliance must have a CO detector on each floor of the house.

**TIME CHANGE,
SUNDAY, NOVEMBER 7, 2021**

Greenwood Forest Women's Club

November is here along with cooler temps, Thanksgiving Day celebrations, and an end to Daylight Savings Time. It's sure to be a busy month, but take time to give thanks and make note of the following:

Daylight Savings Time

- **Ends:** Sunday, November 7, at 2 AM.
- Turn your clocks back 1 hour.

November Women's Club Monthly Meeting

- Meeting Date: **Thursday, November 11**
- Social Gathering: 9:30 a.m. – 10 a.m.
- Meeting / Program: 10 a.m.

November Guest Speaker will be **Sherri Harrah from Plants for All Seasons**. Sherri's presentation promises to be informative and full of valuable tips. You don't want to miss this meeting!!!

Yard of the Month

October's Yard of the Month was awarded to Susan Fogarty at 12007 Champion Forest Dr. You'll want to drive by and view the colorful assortment of beautiful flowers that adorn the front of the home. Thank you, Susan, for adding to the beauty of Greenwood!

Wineaux Parties

Wineaux parties are a club favorite and hosting them is a fun experience. Members are encouraged to volunteer to host these functions in the future and see firsthand. You'll be glad you did!

December Christmas Yard Decoration Contest

It's only November but time to start thinking about December and the seasonal decorating we do to commemorate this special time of the year. Festively decorated yards add much to the neighborhood so consider adding your own personal decorating touch this season.

1st, 2nd and 3rd place yards will be recognized with signs placed in their yards as well as their addresses posted on the marquee in front of the Club on Champion Forest Dr. Please mark your calendars:

Judging Date: Monday, December 13, 2021

Judging Time: 6 - 9 PM

REMINDER: PLEASE HAVE LIGHTS ON DURING JUDGING HOURS

Let's light up Greenwood and make this December one of the brightest and most beautiful holiday seasons ever!!!

FALL EXHIBITIONS AND HOLIDAY SHOPPING, CONCERT

AT THE PEARL FINCHER MUSEUM OF FINE ARTS

Fall is the perfect time to connect with friends and family at the Pearl Fincher Museum of Fine Arts! Whether you're taking in the ever-changing fall exhibitions, shopping for unique gifts in the Museum Store, or enjoying a holiday concert in the Main Gallery, it's a delightful way to spend time soaking in the arts.

Fall Exhibitions

This fall, it's all about paper at the Pearl! Three exhibitions showcase how one of life's most ordinary items can be transformed into something magical through the hands and minds of talented artists.

With traditional hand papermaking at its core, *Pulped Under Pressure* is featured in the Main Gallery of the Pearl through December 11. Each of the seven artists in this exhibition start with a foundation of pulp made from natural fibers, then follow their creativity into works that include printmaking, papercutting, installation art with recycled materials and more.

Just in time for the holidays, *Joan Son: Crazy About Paper* will open in the Main Gallery on December 18 and continue through January 8, 2022. As a commercial artist for many years, often working on catalog projects for Foley's Department stores, Joan's eye for geometric harmony led her to reinvestigate her early passion for paper folding, which began when she was a kid in the 1960s.

In 1993 she debuted her origami art in the windows of Tiffany & Co. in Houston, and since then has worked with the Smithsonian Museum Shops, the National Gallery of Art in Washington D.C., the Houston Museum of Natural Science, Houston Grand Opera, Art Institute of Chicago, The Jung Center, and The Houston Center for Contemporary Craft, to name a few. She has also created numerous large-scale installations for public and private venues around the United States.

The Story of Charles Goodnight

On loan from The Bryan Museum in Galveston, Texas is *The Story of Charles Goodnight*, through January 8 at the Pearl. This collection of stunning oil paintings by Lee Cable details the life of famous cowman Charles Goodnight and demonstrates the historical wonder of the cattle drive. Also included is a Cowboy Touch Cart of saddles, spurs, and other western artifacts, which is sure to delight children and the young at heart.

Holiday Shopping at the Pearl

The Museum Store at the Pearl Fincher Museum of Fine Arts offers a variety of beautiful, unique gifts that are perfect for the special people in your life. Many of the shop's items are crafted by local artists, for a truly one-of-a-kind gift.

Museum Store hours are from 10 a.m. to 5 p.m. Tuesday through Saturday.

Volunteers Needed

The museum is currently seeking volunteers to serve as docents and in a variety of other roles. Docents will be trained on new exhibitions and learn how to give guided tours to groups of all ages. If you are interested in learning more about art and enjoy interacting with visitors, please contact donnapfmfa@gmail.com or call (281) 376-6322 for more information.

Safty and Secerity

Shining a Light on Safety

When it comes to your home’s security, porch lights are critical. They guide you into your house at night and keep burglars away. They’re most effective when you use them at the right times and combine them with other security products. If you do, you’ll feel safer and more secure—whether at home, work, or on vacation. As we move to shorter days and longer nights as day light saving time is right around the corner starting November 7th, fall back day (we turn back the clock 1 hour) darkness will be much longer.

This is a good time to leave the porch light on

It alerts burglars to your presence, particularly if indoor lights are on too. The porch light also acts as a spotlight on the front door. You can easily see who’s approaching through either a window or peephole. It helps to leave a light on for people who won’t get home until long after dark. Keeping the porch light burning helps people get to the door and unlock it safely.

When you leave the kids at home

When you step out for the evening, leave a porch light on. You won’t worry about the kids, and they won’t jump at strange shadows. Supplement the outdoor light with indoor ones so it looks like several people are home.

When you’re expecting a home delivery

It’s wise to turn on the porch light if you have a package coming. The extra light helps the delivery person find your home, and it reminds you to grab the package before settling in for the evening. Generally, a porch light works best when it’s coordinated with deck, garage, and indoor lights. The pairing creates the appearance that people are home and moving about.

Street Lighting

If the street pole light is not working that stands in front of or near your home, record the number that is on the pole and report the outage to the following number 713-207-2222 - Street Lights – Center Point Energy. Keep the dog walkers and those who use our streets to walk for exercise safe. Street lighting protects our neighbors while walking as well as prevents criminals from having hiding places. Well lite areas are the best way of discouraging our neighborhood as a place for harboring criminals.

Shine a light around your house and light up your street to stamp out crime!

Save the Date! Kids' Track and Field Season Kicks Off on February 5th, 2022!

Do you have a child that is interested in the sport of track and field? Plan to attend the Northwest Flyers Track Club's season kickoff and orientation event on the morning of Saturday, February 5, 2022. Please check the team website on January 5, 2022 for the time and location.

Olympic gold medalist Fred Newhouse founded the club to foster the development of youth track and field in the northwest Harris County area. The Northwest Flyers, one of the leading youth track clubs in the country, is a member program of USA Track And Field (USATF), which is the national governing body for track and cross country, including the U.S. Olympic team. The club will celebrate its 35th anniversary season in 2022, and offers a full range of track and field events for boys and girls ages 6 – 18.

For more information, visit www.northwestflyers.org, follow the team on Facebook and Twitter, or contact team Registrar Shavonne Spencer at sxrobin@yahoo.com.

We are thankful for our satisfied clients.
